

Keep things within reach

## Holders for Rugged PDA

**A holder makes it easier to use your PDA in your vehicle. Keep your PDA in a holder and you will always have it in easy sight reach -safe and convenient!**

**With Tilt Swivel:** All PDA holders are designed with a tilt swivel. The tilt swivel provides easy adjustment of your PDAs' position for better viewing.

**A Wide Range of Products:** The holders are customized for every different PDA model, and are available for most models on the market. A customized holder is usually ready when a new model appears on the market.

**Safer Driving:** With your PDA in a holder, it is always within easy reach. Our goal is to provide you with convenient products and solutions, to give you a safer driving environment while driving and operating your equipment.

**Many Alternatives:** PDA holders are available with various features, from passive holders to more advanced solutions for fixed installation and data transfer.

**High Quality:** The holders have a perfect fit and provides a firm installation. It is easy to place the PDA in the holder, and to take it out of the holder.

**Attach onto ProClip:** Attach the holder onto the ProClip Mounting Platform in your vehicle. The installation is quick and easy, and does not damage the interior.

**Easy to find:** You will find an updated complete selection and other product information on our web site [www.brodit.com](http://www.brodit.com)
